

To whom it may concern,

Cloquet Ford Chrysler is a dealership that delivers around 80 to 90 vehicles a month. After 4 years of ownership and 29 years in the business I thought we were doing all we could to make a living. Fast forward to 2012 and our transition to ADG and Heidi Heckes, we are now doing much better. The team at ADG has helped us improve our bottom line in ways I didn't know were possible. Most companies including our very own industry will sell you on an idea or product and as soon as you sign on the bottom line they become elusive or hard to find. This has not been the case with ADG. They have been here every step of the way. For any other questions or answers feel free to call me at 218-879-4668. I'm so pleased with their services that I hope more dealerships will give them a try.
